

**Learning Outcome:** Develop ability to change the point of attack using the forehand to exploit space and score points by doing this.

**Level 1:** You will be able to play forehands into different areas of the court.

**Level 2:** You will be attack spaces within the court using forehand to change the attack and move the opponent around.

**Level 3:** You will recognise where to attack, using the forehand, in relation to your opponent and have a 70% success rate e.g. 7 out of 10 points.
